Dear

From time to time we review accounts for certain endorsements that we feel our customers may want on their policies. We have reviewed your policy and have indicated below an endorsement that is NOT INCLUDED on your policy.

\*\*\* Guaranteed Home Replacement \*\*\*

The Guaranteed Home Replacement endorsement indicates that in the event of a loss, the insurance company will pay to replace the home, even if the cost exceeds the amount the home is insured for.

The above description is a brief explanation of how the coverage works. Please consult your policy for actual definitions, exclusions and conditions.

If you have any questions about the endorsement, or you would like to add it to your policy please let us know.

Sincerely,
